If you have not already checked in to collect your race plate / lift tickets, the race office (Event Hub next to Shimano tent) will be open from 8:00-10:00.

Your registration package includes :

LIFT PASS:

Bikepass (valid until Sunday).

There will be a number above the label. Record this number (or take a photo of the pass). If a pass is lost / damaged, it can be reissued at the Sunnegga ticket office providing you have a record of this number.

WRISTBAND:

Yellow wristband will be issued to racers and registered supporters – must be worn for access to the Team zone in the Event Hub.

STICKERS:

Bike marking stickers (taped to back of plate) .

Be VERY careful removing stickers from the backing – otherwise the decals will stick to the backing. Avoid bending the stickers when removing from backing.

Refer to [Race Book](#) for location

PLATES:

Race plates must be attached to bikes during training.

BAGGAGE TAG:

If you will be leaving a bag in the Technical Assistance (white tents located across from the Race Office tent) zone on Sunday, attach the tag with your plate number to your bag.

FACE MASKS

Please remember face masks are mandatory on public transport in Switzerland (which includes all lifts in Zermatt) .

Proper face masks are required - scarves and buffs do not meet the standard. Face masks are available for purchase from Coop / Migros and pharmacies.

If you have not already done so please ensure you have read and understood the [Covid Guidelines available here.](#)

NO RIDING ZONES

Please do not ride your bikes in the following areas:

- Bahnhofstrasse (main street)
