START LIST

The start list is posted on the Zermatt EWS [event page](#) (Race Documents section)

No timing stickers will be issued. Riders should note their own times.

EWS

Time Check after Stage 2 is when racers will be leaving the Event Hub.

EWS100

EWS100 racers have been assigned individual mandatory start times to leave from the Event Hub.

Once EWS100 racers leave Event Hub rollout, riders will need to complete the stages in order and within the stage opening / closing times, but racers will not have preassigned individual start times or fixed start intervals for any of the 4 race stages.

Racers have 5:26 to complete the course (starting / finishing from the Event Hub)
If a rider does not complete the course within their final time check (at the Event Hub after Stage 4), they will have a time penalty added to their overall time.

TIMING CHIPS and BIKE MARKING STICKERS

Timing chips will be issued in the morning from the timing tent (white tent next to Race Office) in the Event Hub.

Arrive 15 minutes before your individual scheduled start times to collect your chips.

Also remember to apply your bike marking stickers and bring your lift pass / yellow wristbands.

FEED ZONE AND TECHNICAL ASSISTANCE ZONE (TAZ)

The TAZ is located in the Event Hub.

As there is no Feed Zone due to COVID19 restrictions, racers can leave food in the TAZ . Bags should be tagged with plate number. Bags and food is left in the TAZ at the rider's own risk (white tents across from the Race Office for bag storage. Black Specialized tents for space to work on bikes. No tools provided)
