### **COVID SCREENING**

All racers will need to complete a COVID screen before collecting their race package. Go to tent outside the Teatro Moretti before proceeding to the race office.

Once racers have completed the Self Declaration (which can be done [online](#)) and the temperature scan, they will be issued a yellow bracelet which will give them access to the controlled event zones:

- Team area
- Race office
- Tech Area
- Starting aisle/stage

A separate COVID screening will take place on Sunday before the race. Details to follow.

Face masks must be worn in the race office. Proper face masks are required - scarves and bandanas do not meet the standard.

If you have not already done so please ensure you have read and understood the [Covid Guidelines available here](#).

## **RACE LICENCES**

In accordance with the Italian Cycling Federation policies, race licenses will need to be presented to the commissaires for verification.

Electronic copies / photos are acceptable.
