

A few updates regarding the course and Friday's training:

## **SHUTTLES**

No shuttles on race day.

There will be checks on the liaisons to S1, S3 and S4/S5 during the training and race days

### Stages 1-3

Shuttling permitted to Gustenice on the Friday training day. Riders will need to ride the liaisons and course from Gustenice.

Public shuttle bookings available at [LINK](#) .

In order to guarantee that you are using a shuttle service that is properly licensed and permitted to operate in Pietra, all public shuttle bookings need to be made using this link.

Upload times: 8:00, 9:00 or 10:00 . Departure from Piazzale Geddo (former sports field)

Cost 11EUR.

Shuttles must be pre-booked. Booking deadline 11:00 Thursday

Private shuttles are permitted. Drop off point for private shuttles in Giustenice : [MAP](#)

### Stages 4-5

Riders are encouraged to pedal from the paddock to the last 2 stages. To avoid unnecessary congestion with team vehicles on the narrow roads accessing stages 4 and 5. The elevation is minimal to these stages and there is a rest day between training and race.

## **LIAISON / START LIST CALCULATIONS**

Liaison / start list calculations are published on the event page.

### **COURSE PREVIEW VIDEOS**

The course preview videos have been published - but they are now in an unlisted Youtube playlist. They have been removed from the official Pietra playlist on our channel, and moved to one that is just called [Course Videos](#)

### **WATER POINTS**

Water point locations have been added to the the downloadable PDF maps.
