TRAINING

Once the courses are announced September 16, all race stages will be closed for riding until training.

Race stages are closed during official training to all but racers, accredited media and official EWS Team staff. All riders on course during practice must have plates on their bikes. Any rider training without a plate or outside the official schedule will be disqualified.

Racer will be limited to 1 training run on each race stage.

To manage congestion on the tracks during training, each group (EWS and EWS100/EWS80) will have different days assigned for training. Stages will be open during designated times. Details will be published closer to the race date - refer to Schedule.

Safety Protocol: riders stopping on track to check lines or pushing up to session sections must do so from outside the tape.

UPLIFTS

Course will feature a combination of lift accessed and pedalled transitions.

LIFT ACCESS

Lift access is included in the entry fee.

EWS: Tuesday to Sunday

EWS100/80: Tuesday to Saturday

Racers should take a photo of the barcode on their lift ticket. Without this information, replacement for lost passes will not be possible and rider would be required to purchase a new pass.

SHUTTLES - TRAINING

Racers can arrange private shuttles to access during training.

Training shuttle service will also be available . Price and booking details TBC

TIMING CHIPS

Timing system: SPORTident AIR+ system

Each racer will be issued two transponders (the second unit provides backup in case of loss or a crash). One transponder should be worn on each wrist.

Timing chips will be collected in the finish area of the race. Racers who withdraw or do not complete the race should return the chips to the timing tent in the finish area. Lost or damaged chips will be assessed a 100 GBP replacement fee.

Timing stickers and timing chips will be issued at the start on race day. Racers should arrive at least 15 minutes prior to their individual start time to collect the chips.

BIKE MARKING

Racers must use the same bike (frame, fork and wheels) for the race.

If one of these parts break (frame, fork, rear swingarm and wheels), riders have to report it to the race director.

In the case of a replacement of a part or the entire bike, a 3-minute penalty will be given if the rider reports it to the race director (with the penalty assigned to the Stage when the replacement is made). If not reported, the rider will be disqualified.

EWS and EWS100

Official event bike marking stickers (5 total) will be included in the race package.

Stickers need to be applied to the top tube of the frame, right side of the rear swing arm, right crown of the front forks and each wheel rim.

Do not affix the stickers until the race day.

Racers who lose their bike marking stickers prior to the race start may be assessed a time penalty.

FEED ZONES

Location(s) and access will be confirmed after the course announcement.

TECHNICAL ASSISTANCE ZONE

	<p>EWS Technical assistance is only permitted in the Technical Assistance Zone / Race Paddocks. Riders are permitted to access the TAZ at any time during the race, but additional time will only be allocated after specific stages. Details will be confirmed once the course map / start lists are published.</p> <p>EWS100/80 Outside assistance is permitted.</p>

	<p>the Start List.</p> <p>EWS Racers will have preassigned start times for every Special Stage.</p> <p>Late racers may be given the following penalties: up to 5 minutes late = 1 minute penalty 5+ minutes late = 5 minutes penalty Any racers arriving at the start of a race stage later than 30 minutes after their specified start time will be assigned a DSQ for the race and should not complete any other stages.</p> <p>EWS100 and EWS80 To minimize congestion on the tracks, the race start will be staggered. Each EWS100 and EWS80 racer will have an individual assigned time to leave the start / Paddock. Once EWS100 / EWS80 racers leave the start, the racers will need to complete the balance of the Special Stages in order. But there are no specific stage start times for the EWS100 or EWS80 races. Rather, EWS100/80 riders will have a specific time period to complete each individual Special Stage as well as an overall time to complete the course each day.</p> <p>Maximum course time and opening / closing times for the Special Stages will be published the day prior to the race.</p> <p>If a racer does not complete the course within their final time check, they will have a penalty added to their overall time. up to 5 minutes late = 1 minute penalty. 5+ minutes late = 5 minutes penalty</p> <p>GENERAL If a racer is delayed reaching a stage start or the finish time check as a result of assisting an injured rider or due to some other exceptional circumstances beyond the racer's control, the time penalty may be waived and / or the racer may be permitted to repeat the stage. Any racer affected by a 'significant incident' during a transition or race stage should immediately report to the finish or start official of the affected stage (as applicable).</p> <p>The Race Director has the final right to change start times during the race in case of any unforeseen circumstances.</p> <p>LIAISON INFORMATION DOCUMENT The route description and allocated times for each stage/transition will be published prior to training. Racers should use this information during training to calculate the pace needed to complete each liaison and the overall course.</p>
	<p>LIVE TIMING and RESULTS Race Feed and Live Timing: https://www.enduroworldseries.com/live/ Official Results (with penalties) will be posted on the Enduro World Series website following the race.</p>
	<p>AWARDS EWS 30 minutes after last racer</p>

	<p>Top 3 from each race category will be awarded – as well as the top 3 EWS teams of the day. Race podiums will be followed by presentation for EWS Series overalls (Women, Women U21, Women Master 35+, Men, Men U21 and Men Master 35+, Team)</p> <p>EWS100/80 Separate podiums for the EWS100 and EWS80 Podium presentation to follow completion of EWS Saturday prologue PRO Stage.</p>
