### TRAINING

Once the course is announced September 23, all race stages will be closed for riding until training.

Race stages are closed during official training to all but racers, accredited media and official Team staff. All riders on course during practice must have plates on their bikes. Any rider training without a plate or outside the official schedule will be disqualified.

Racer will be limited to 1 training run on each race stage.

To manage congestion on the tracks during training, there will be separate training times for Nations Team and Rider Trophy racers. Refer to Schedule

**Safety Protocol: riders stopping on track to check lines or pushing up to session sections must do so from outside the tape.**

## UPLIFTS

Shuttling will be permitted during training day.

Racers can either use personal / private shuttles or the commercial / public shuttle service offered by Finale Outdoor Region.

Shuttles on race day: uplift from Piazza to S1 included.

### COMMERCIAL PUBLIC SHUTTLE BOOKING

Finale Outdoor Region is the only authorized public commercial shuttle service for the Nations and Rider Trophy training.

Limited capacity, must be prebooked

### TROPHY OF NATIONS

Each rider will be able to purchase a 2-lift package which will cover the morning shuttle from the end of S4 Ruggetta to the top of S5 DH Men AND the afternoon shuttle from Finale to the start of S1 Fast&Furious.

Upload 1 Options: 7:30, 8:00, 8:30, 9:00, 9:30, 10:00

Upload 2 Options: 14:00, 14:30, 15:00, 15:30, 16:00, 16:30

Riders can also organise shuttles with private/team vehicles.

Even with private vehicles, the only vehicle-supported liaisons during training will be:

- from the end of S4 to the top of S5

- from Finale to the start of S1

Trophy of Nations [Shuttle Booking](#)

### INDUSTRY / RIDER TROPHY

Each rider will be able to purchase one 2-lift package which will cover the morning shuttle from Finale to the start of S1 Fast&Furious AND the afternoon shuttle from Finale to the start of S5 DH Men.

Riders can move with their own vehicles. For all the riders needing to purchase lifts, it would be pretty vital to state that the only service to book would be the one offered by Finale Outdoor Region.

Even with own vehicles, the only vehicle-supported liaisons during training will be:

- from Finale to the start of S1

- from Finale to the start of S4

and of course, by rulebook, no off-road driving.

Given the forecast amount of riders taking advantage of this service and the number of seats available, we had to create 6 shuttle packages divided into 2 links:

Industry / Rider Trophy Shuttle Booking [Package A](#) | [Package B](#)

## TIMING CHIPS

Timing system: SPORTident AIR+ system

Each racer will be issued two transponders (the second unit provides backup in case of loss or a crash). One transponder should be worn on each wrist.

Timing chips will be collected in the finish of the race. Racers who withdraw or do not complete the race should return the chips to the timing tent in the finish.

Lost or damaged chips will be assessed a 100 GBP replacement fee.

Timing stickers and timing chips will be issued at the start on the race mornings. Racers should arrive at least 15 minutes prior to their individual start time to collect the chips.

### BIKE MARKING

Racers must use the same bike (frame, fork and wheels) for the race. If one of these parts break (frame, fork, rear swingarm and wheels), riders have to report it to the race director.

In the case of a replacement of a part or the entire bike, a 3-minute penalty will be given if the rider reports it to the race director (with the penalty assigned to the Stage when the replacement is made). If not reported, the rider will be disqualified.

Official event bike marking stickers (5 total) will be included in the race package.

Stickers need to be applied to the top tube of the frame, right side of the rear swing arm, right crown of the front forks and each wheel rim.

Do not affix the stickers until the race day.

Racers who lose their bike marking stickers prior to the race start may be assessed a time penalty.
